The most important Legato Gheyas morality ethics human feature knows, why such a book contract for three Bob e is:

- In the eulogy, freely admirable ethics groups and follow the group to which they have been manicured and acceptable traits.
- In the number of acceptable and some ethics groups icons m.
- In the expression of some obscene and prohibited ethics of that habit.

And its effect on the continuous content this article points out:

The business ethics of human groups do not look to me, she is black or white.

No creature from its port, which has never disappointed, although I refused to be a dog. (The same, pp.: 128)

Pay attention to the ethics and compliance of their elders from good has learned that:

"The thing is that the four be given not to everyone in the world and the hereafter is given to him: being truthful, legit trustee, to pay moral and eat." (Ghorār al-Hecām, pp.: 217, h: 4282)

4. DISREGARD OF THE WORLD

"More from the world of minute, who do not know their right to escape it, like avoiding the fire that engulfed them all afraid?"

Valuable traits from the gnostic and the guardians of the undeniable right of the slice of the world. Gheyas citing the words of Prophet this is the problem that it cannot be said, stating:

"... Everyone that morning on his efforts and more concentrated on the business world, minute, he graduated from God..." (The same, pp.: 150)

"Someday I would advise one of the brothers, and the primal, and refine your business ethics and causes, and of minute world regards worship, and save on the way to everlasting life and crave the satisfaction of saving Molly, and encouraged the Holy Prophet said::

Dear and venerable to the universe, if you were born in the eye-eater. (The same, pp.: 242)

Of the property to the world the wealth of content that you have seen the shit fire negates the look. (The same, pp.: 115)

Despite the teacher's morality and training Gheyas, can be used with many mystical elements that rely on all his works, and also the wave of an unbroken link between morality and spirituality, the least of knowledgeable enthusiasts and owners, to the intellectual and cultural flow, is brought to the.

Attachment to the world, causing trouble, and this is a point that is well understood, as it Gheyas the elders have said:

"The low value of the world of things and the more that it's their right to do not know to stay away from, such as avoiding the fire that swept all of their fear."

Imam Ali (as): "the friendship of those who are more like for God's sake, because its factor of friendship, is permanent but of friendship for the sake of the world to join a friend have been cut because its friendships soon disappears. (Ghorār al-Hecām, c: 2 h: 1795-1796)

Imam Ali (as): the best friend you've got someone who is fascinated by you towards the world and the hereafter, and you relish endless conceal help from God." (Ghorār al-Hecām, c: 3, pp.: 436)

Imam Ali (as): a person who is of the world, the world we averse unto him.

Imam Ali (as): a person who will serve in the world, the world is he to serve and who will serve God's glory to serve the world, he follows.

Imam Ali (as): If you are in the world you got his back to you, and if you're in the world behind you, you're on to him.

"Imam Ali (as): anyone in the quest of the world trying to lose it, and anyone it desist, his world with him."

"The willingness and desire to be the world's sadness and piety and reluctant to bestow peace of heart and body in the world." (Tohāf al-Oqul, pp: 358)

5. THE ATTENTION OF THE PEOPLE TO THE WORD OF GOD

Lands that are politically against the defeated nation, and was the eighth century according to what was said by the panic and anxiety after the turn of the century, the world was hand washing, head-to-head elimination of dipping, introspection, lodge, satisfaction and contentment. And in fact it is time to revive human values, although shortly after it, the country's security in the shelter that pervades, people for relief because of the valuable cultural elements, so it gathers strength to reach the peak moments of perfection, and with it the election back to the busy self-improvement.

Gheyas like to rely on the pulpit preaching preceptor, the disillusioned people with his words of peace joined the right to:

"That everyone on the trust and trust God, God he is adequate." (At-Talaq/3), the right to trust and I am grateful I was abandoned." (Dor-Shokhan, pp.: 228)

"And what was God close, never destroy it and not be wasted and that indestructible. (An-Nhal/96), so whatever it was before I knew better, so cherished that it surpassed the right to send Holiness." (Dor-Shokhan, p.: 225)

"Anyone who fears God and his heaven wish, say leaving the air-breath." (An-Nazi'at/40-41), knew that he was speaking the truth." (The same, pp.: 224)

No craze is not progressive, and that one day he's the God, knew that I also have one of these, my ..." (Dor-Shokhan, pp.: 228)

6. RELYING ON THE WORD OF PROPHET AS A TEMPLATE

A method that is taken as a mystic people of the Sharia and his fellows in between the different documentation. In a book with the Word frequently report Bob Messenger of God has started:

"The Prophet has said: anyone who does care giving, right on the table, his excellence with the Archangel, honor..." (The same, pp.: 124)

"The Prophet, verse: humility me elation..."
(The same, pp.: 42)

Up to the time that your people are eaten from the lies and hypocrisy and has been frustrated save; people like him in a society where more than anyone to ruin and the origins of knowledge and have it up against the society and the people feel the responsibility and create a lasting and expensive works well on the way to recovery, and the identity of the missing people to represent them and their land Open the building. Gheyas also this category is that you always know your article and your firm step taken for this important reason why your documentation with the community leadership.

7. THE WORDS OF THE FAMOUS MYSTICISM

Gheyas wise promote social and practical wisdom to instruct and to get a balanced and blissful life, his opinion of Sufism is not empty and pasted in to the eye color of mysticism, finally this is a subtle effect on the flow of tasteful he must tend to, refinements and refining ethical interpretation, not to a particular method dependency in the thriving market ahead of time 'Themselves.

In the first, eighth, ninth and tenth so that education is based on a kind of spiritual asceticism, Sheikh and must admit that Gheyas is the wise and mystic and Sufi mystic, so knowing the obvious and the reason phrase is joined by bringing quotation of the gnostic to stamp their approval of the word:

" One Shibli said, God's mercy, he said give me up for a winter consecration to the tone, it is a blessing to find degree and order, port, said that brother, if you wore a fur coat Shibli up to act the way I do during the Shibli, no benefits". (The same, pp.: 192)

Of Sari-Saqati, the complications of which God is clear, said that patience? Suddenly, he started stating it in November and a few bites of his happy feet on the fast break, he did not speak and did not show any pain, suffering and asked that the cause was not stated what that pain? Said: If the minor disaster before me and bite wounds on mine, I am not on it, wait, wait as the servants the right command. (The same, pp. 45-46)

8. LOVINGLY IN THE ACT OF GOD FEAR MYSTICISM FEATURES

Gheyas way in lovingly and applies their faith, knows that, and the way it sees Bliss; he looked lovingly with the human person who is Gin clear deception and your backend of ambition and wealth of the idolaters, keep empty and in return their hearts with detailed tips and practice it is clear

"And because you are out of the way place on the need for and lovingly, frustrated by that, I hope that I will soon accept the repentance, honor, and there is a slight lighting lends some dark falls on you. (The same, pp.: 218)

"My seven everything I order said, lovingly in the unseen and the visible, the passage of my cruelty to a person, who has denied me forgiveness, a relationship with a person who has a relationship with my cut, and silence along with the thought of and look out for the lesson. Gheyas Mystic spirituality, God is forgiving of their God in this way and learned the difference between rich and poor people and not see forgiveness does not time and place, believes that should be like him on flowery and Halophyte both because the cloud was snowing and so forgiving of death did not Gheyas on the bliss and forgiving; Gheyas the forgiving and loving God happiness happy President knows and believes that it can benefit of forgiveness. He has a conviction that God is like Sa'di never will not be at the mercy of the person. It is also believed that, with the grace and kindness of others can be your dependent, attachment and generosity as much believed that tells when someone is on the offender to be able to pass the blessings as his power of pardon me; thanks to the signs of the cream and it is that we should not insult others with language and font. Holy God that string of perfection does not graciously thanks to magus at close.

You're an alien without obstacle in that comment, the followed a familiar, not open up, thanks. (Dor-Shokhan, pp.: 12)

"The three things that bring kindness and humility and giving account." (Tohāf al-Oqul, pp: 316)

Imam Ali (as): your love by nice, blame me. Bad and he has to his disposal means forgiveness now." (NAHJ -Faiz al-Islamic, c: 2, pp.: 1155)

Gheyas believes that the hearts of people like the mirror, causing inappropriate behavior, which behavior should not be darkening it lick not no longer be blur of Heart people pruned. Of course his opinion folks being more. The ruling should not bother when subordinates are suffering and are looking for your joy. Believes that the authority and dignity of the people who use it with God's Word is not to be able to tell about them. Anyone who makes enemies of the humble people eater and so personal in every rank and authority will be plentiful. He has to accept the size of the temples should be built the Abbey and to the people of bread, mouthful. Someone who makes people goodness and fortuitous. Sometimes people from having practical and fear do not believe on. Having its good affiliated hereafter to nice off of people you know. Gheyas governing body dependent on the health of the people knows and says if the health of the body you want should be abundant food to people in debt and you are happy for people to constantly be the people to whom salutation, bread and hand them to the del Mar. Loving someone is that people with their hearts. Like the rain over the face of your people blessed by physical gaps. If you are in fear of their prestige and the people sympathizer and goodness. People abuse about said:

Not the kind of dog that was a hundred times worse than someone who defies all the guys hurt him. (Dor-Shokhan, pp.: 92)

"A person is liable for people like that because they are any kind of harassment to the United States but not harm to the people."

When a member to bring on the pain, how did members peace of mind.

You're given that others are not worthy innocent of her pain, that they make you name one "(description of Golestan, 1965:190)

11. THE SLIGHTEST BREATH AND BREATH

As a result of the tragedy of human Gheyas follow the self knows, that's why in the book of the tenth to Bob Dor-Shokhan has the same purpose, he believes the us is required pursuant to the ego is always the man to be self-suspicious and look in the eye incidents and also the most evil people. So says that if you're upset because of your work and your look, and look for troubleshooting the cause of the work others do not, and the way of caution as that goes: " The word is one of the elders, because of problems with a Muslim brother, must be that of the seventy, in order to excuse he thought if it came down to for you, then your self-reproof, and if you're a bad string, which you hear an excuse you seventy Muslims and not an excuse I accept him.."
